Dear Stockholders:

You are cordially invited to attend the Annual Meeting of Stockholders of InfoSonics Corporation to be held on June 13, 2016, at 2:00 p.m. (Pacific Time) at the company's principal executive offices located at 3636 Nobel Drive, Suite 325, San Diego, California 92122, for the following purposes:

1. To elect four directors nominated by the Board of Directors, each to serve until the next annual meeting of stockholders or until a successor is elected and qualified;
2. To ratify the selection of SingerLewak LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016;
3. To approve, on an advisory basis, the compensation of the Company's Named Executive Officers, referred to as "say-on-pay"; and
4. To consider and vote upon such other business as may properly come before the Annual Meeting or any adjournment thereof.

The complete text of these proposals and the Board of Directors' recommendations regarding their adoption are contained in the accompanying proxy statement and you are urged to carefully study them.

Only the stockholders of record as shown on our transfer books at the close of business on April 22, 2016, are entitled to notice of, and to vote at, the Annual Meeting, or any adjournment or postponement thereof. Our Annual Report to Stockholders (which includes our annual report on Form 10-K for the fiscal year ended December 31, 2015), is being mailed to stockholders with this proxy statement and an accompanying proxy card. The Annual Report is not part of the proxy soliciting material. We intend to mail this proxy statement, the Annual Report and the accompanying proxy card on or about May 9, 2016, to all stockholders of record entitled to vote at the meeting.

All stockholders, regardless of whether they expect to attend the meeting in person, are requested to complete, date, sign and return promptly the enclosed form of proxy card in the accompanying envelope (which requires no postage if mailed in the United States). The person executing the proxy card may revoke it by filing with our Corporate Secretary an instrument of revocation or a duly executed proxy bearing a later date, or by electing to vote in person at the Annual Meeting. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the meeting, you must request and obtain a valid proxy issued in your name from that record holder.

For the reasons stated in the proxy materials, the Board of Directors recommends that you vote "**FOR**" the proposals listed above and described in this proxy statement. Your vote is important no matter how many shares you own. To be sure that your shares will be voted at the Annual Meeting, please sign, date and return the enclosed proxy card. This will not prevent you from attending and voting (with proper identification) your shares in person. Prompt return of your proxy card will reduce InfoSonics' expenses.

PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS
To be held June 13, 2016

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving this proxy material?

We sent you this proxy statement and the enclosed proxy card because the Board of Directors of InfoSonics Corporation, a Maryland corporation, is soliciting your proxy to vote at its 2016 Annual Meeting of Stockholders. You are invited to attend the Annual Meeting and to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

We intend to mail this proxy statement, the Annual Report and the accompanying proxy card on or about May 9, 2016, to all stockholders of record entitled to vote at the Annual Meeting.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on April 22, 2016, the record date for the Annual Meeting, will be entitled to vote at the Annual Meeting. At the close of business on the record date, there were approximately 14,388,728 shares of common stock outstanding and entitled to vote.

Who is a stockholder of record?

If, at the close of business on the record date, your shares were registered directly in your name with our transfer agent, Computershare Limited, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted.

If, at the close of business on the record date, your shares were held, not in your name, but rather in an account at or otherwise by a brokerage firm, bank or other agent, then you are the beneficial owner of shares held in "street name" and proxy material is being forwarded to you by that entity. The entity holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you may direct your broker, bank or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting (with appropriate identification). However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy issued in your name from your broker, bank or other agent.

What am I voting on?

You are being asked to vote on the following three proposals:

- Election of four directors nominated by the Board of Directors, each to serve until the next annual meeting of stockholders or until a successor is elected and qualified;
- Ratification of the selection of SingerLewak LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016; and
- Approval of the compensation of our Named Executive Officers, referred to as "say-on-pay".

How do I vote?

Following the instructions included on your proxy card, you are urged to mark the boxes on the proxy card to indicate how to vote your shares. For the election of directors, you may either vote “For” or “Against” any nominee or “Withhold” your vote for any nominee you specify. For the other two matters, you may vote “For” or “Against” or abstain from voting. The procedures for voting depend on whether you are a stockholder of record or a beneficial owner of shares.

Stockholder of Record. If you are a stockholder of record, you may vote in person at the Annual Meeting. Alternatively, you may vote by proxy by using the enclosed proxy card. To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

Beneficial Owner. If you are a beneficial owner of shares registered in the name of your broker, bank or other agent (that is, in “street name”), you should have received a proxy form and voting instructions with this proxy material from that entity rather than from us. Complete and mail that proxy form as indicated to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with this proxy material, or contact your broker, bank or other agent to request a proxy form and voting instructions.

If you hold shares in street name and do not give instructions to your broker, bank or other agent, they can vote your shares with respect to “discretionary” items, but not with respect to “non-discretionary” items. Discretionary items are proposals considered routine under applicable regulations on which your broker, bank or other agent may vote shares held in street name in the absence of your voting instructions, and typically include the ratification of the independent registered public accounting firm. However, brokers are not permitted to vote on the election of directors or on the say-on-pay proposal without instructions from their clients.

The nominees for director receiving a plurality of the votes cast by the holders of common stock at a meeting at which a quorum is present will be elected. Broker non-votes and abstentions will have no effect on these matters since they are not counted as votes cast at the meeting for the election of directors by plurality vote. Therefore, if you do not give instructions to your broker, bank or other agent to vote on the election of directors, the shares will be treated as broker non-votes and will not be counted as votes cast at the meeting, but will still be counted for determining a quorum.

Approval of the ratification of the appointment of SingerLewak LLP and the approval of the say-on-pay proposal will require the affirmative vote of a majority of outstanding shares represented at a meeting and entitled to vote on the proposal, at which a quorum is present. The ratification of SingerLewak LLP is considered a “discretionary item” and therefore your broker, bank or other agent will be allowed to vote shares held in street name in the absence of your voting instructions; however, the say-on-pay proposal is considered a “non-discretionary item” and, therefore, your broker, bank or other agent will not be allowed to vote shares held in street name in the absence of your voting instructions and such shares will will be treated as broker non-votes on this proposal and will not be counted as votes cast at the meeting, but will still be counted for determining a quorum, with an “abstain” vote having the same effect as an “against” vote.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of the close of business on April 22, 2016, the record date for the Annual Meeting.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted as recommended by our Board of Directors. The Board of Directors recommends a vote in favor of all four

nominees for director, in favor of the ratification of SingerLewak LLP as our independent registered public accounting firm and in favor of the compensation of our Named Executive Officers described in this proxy statement. If any other matter is properly presented at the Annual Meeting, one of the individuals named pursuant to your proxy card as your proxy will vote your shares using his best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to this mailed proxy material, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes, you can revoke your proxy before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy with a later date;
- You may send a written notice that you are revoking your proxy to our Corporate Secretary at 3636 Nobel Drive, Suite 325, San Diego, CA 92122; or
- You may attend the Annual Meeting and vote in person (however, simply attending the meeting will not, by itself, revoke your proxy).

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by them.

What is the quorum requirement?

A quorum of stockholders is necessary to transact business at the Annual Meeting. A quorum will be present if at least a majority of the shares entitled to vote are represented by stockholders at the Annual Meeting or by proxy. Your shares will count towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other agent) or if you vote in person at the meeting. In the election of directors, a decision to withhold authority to vote will be counted for purposes of determining whether there is a quorum. Abstentions and broker non-votes also will be counted in determining the presence of a quorum.

At the close of business on the record date, there were approximately 14,388,728 shares outstanding and entitled to vote. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date.

How many votes are needed to approve each proposal?

- *Election of directors.* The minimum voting requirement to elect directors is a plurality of the votes cast at the Annual Meeting (in person or by proxy). Therefore, each of the four nominees receiving the most votes will be elected. Cumulative voting is not permitted in the election of directors. Brokers, banks or other agents do not have discretionary authority to vote on the election of directors, so if you do not instruct your broker, bank or agent to vote the shares, such shares will be treated as broker non-votes on this proposal and will not be counted as votes cast at the meeting.

- *Ratification of SingerLewak LLP as InfoSonics' independent registered public accounting firm.* The affirmative vote of the majority of outstanding shares represented at the Annual Meeting (in person or by proxy) and entitled to vote on the proposal is necessary to ratify the selection of our auditor. There will be no broker non-votes on the ratification of the accountants since brokers can vote with discretion on this proposal. Abstentions will not affect the outcome on this proposal.
- *Say-on-Pay Advisory Vote.* The affirmative vote of the majority of outstanding shares represented at the Annual Meeting (in person or by proxy) is necessary to approve, on an advisory basis, the compensation of our Named Executive Officers as described herein. Abstentions are treated as shares present and entitled to vote on the matter and, therefore, will have the same effect as a vote "against" the proposal. Broker non-votes are not considered entitled to vote on the matter and will have no effect on the outcome of this vote.

We are not aware, as of the filing date of this proxy statement, of any matters to be voted on at the Annual Meeting other than as stated in this proxy statement and the accompanying notice. If any matters are properly presented at the Annual Meeting, the enclosed proxy gives discretionary authority to the persons named in the proxy to vote the shares in their best judgment.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count affirmative and negative votes, abstentions and broker non-votes. The Board of Directors has appointed our Chief Financial Officer to serve as the inspector of election.

How to get to the Annual Meeting?

The Annual Meeting will be held at our principal executive offices located at 3636 Nobel Drive, Suite 325, San Diego, California 92122.

If you are coming from the South on the I-5, take the Nobel Drive exit, turn right onto Nobel Drive, make a left turn at Caminito Plaza Centro and end at 3636 Nobel Drive at the North-West corner of Caminito Plaza Centro and Nobel Drive.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final and official voting results will be published in a Current Report on Form 8-K which is expected to be filed with the Securities and Exchange Commission (the "SEC") on or prior to Friday, June 17, 2016 (which will be available at www.sec.gov).

When are stockholder proposals due for next year's annual meeting?

To be considered for inclusion in next year's proxy material, a stockholder proposal must be submitted in writing by January 9, 2017, to our Corporate Secretary at 3636 Nobel Drive, Suite 325, San Diego, CA 92122. Stockholders who intend to present a proposal at next year's annual meeting without inclusion of such proposal in next year's proxy material should review our bylaws, as filed with the SEC, which contain additional requirements regarding advance notice of stockholder proposals at an annual meeting of stockholders. A copy of our bylaws is also available from our Corporate Secretary at the address above. For more detailed information regarding stockholder proposals for next year's annual meeting, please see "Stockholder Proposal Information; Discretionary Authority to Vote Proxies" below.

PROPOSAL 1: ELECTION OF DIRECTORS

At the Annual Meeting, the stockholders are asked to elect four individuals nominated by our Board of Directors to serve as members of our Board of Directors. Each director would be elected to hold office until the next annual meeting of stockholders and thereafter until his successor is elected and qualified. Each of the nominees currently is a director of InfoSonics.

It is not anticipated that any of the nominees will become unable or unwilling to accept nomination or election, but, if that should occur, the persons named in the proxy intend to vote for the election of such other person as the Board of Directors may recommend.

About the Directors

**The Board of Directors recommends a vote
"FOR" each of the Board nominees for election as a director.**

**PROPOSAL 2: RATIFICATION OF THE SELECTION OF SINGERLEWAK LLP
AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors has selected SingerLewak LLP (“SL”), an independent registered public accounting firm, to audit the financial statements of InfoSonics for the fiscal year ending December 31, 2016. Although stockholder approval of the Audit Committee’s selection of SL is not required by law, the Audit Committee believes that it is advisable to give stockholders an opportunity to ratify this selection. The Audit Committee may reconsider the selection of SL whether or not the stockholders approve or do not approve this proposal at the Annual Meeting.

Representatives of SL are not expected to be present at the Annual Meeting.

Independent Registered Public Accountants Fees

The Audit Committee reviews and determines whether specific projects or expenditures with SL potentially affect its independence. The Audit Committee’s policy requires that all services the independent registered public accounting firm may provide to InfoSonics, including audit services and permitted audit-related services, be pre-approved in advance by the Audit Committee. In the event that an audit or non-audit service requires approval prior to the next scheduled meeting of the Audit Committee, the auditor must contact the Chairman of the Audit Committee (who has been delegated by the Audit Committee the authority to act in such circumstances) to obtain such approval. The approval will be reported to the Audit Committee at its next scheduled meeting. All audit and non-audit services provided by SL during 2015 were pre-approved by the Audit Committee.

The following sets forth the aggregate fees billed to us by SL for the years ended December 31, 2014 and 2015.

Audit Fees

The aggregate fees billed for professional services rendered by SL for its audit of our annual financial statements and its review of our financial statements included in Forms 10-Q and 10-K in fiscal years 2014 and 2015 and related SEC reporting work were \$220,269 and \$254,098, respectively.

Audit Related Fees

The aggregate fees billed for audit-related services by SL in fiscal years 2014 and 2015 were \$27,637 and \$29,189, respectively.

Tax Fees

There were no fees billed by SL in fiscal years 2014 and 2015 for professional services for tax compliance, tax advice or tax planning.

All Other Fees

There were no fees billed by SL in fiscal years 2014 and 2015 for professional services other than the services described above.

public accounting firm for 2016.**

PROPOSAL 3: TO APPROVE, ON AN ADVISORY BASIS, THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS, REFERRED TO AS “SAY-ON-PAY”

Section 14A of the Securities Exchange Act of 1934, as amended (the “Securities Exchange Act”) requires that we provide our stockholders with the opportunity to vote to approve, on a nonbinding, advisory basis, the compensation of our Named Executive Officers as disclosed in this proxy statement. We currently intend to hold this advisory vote on the compensation of our Named Executive Officers once every three years, with the next vote occurring at the 2019 Annual Meeting of Stockholders.

We are asking our stockholders to indicate their support for our Named Executive Officer compensation as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on the compensation of our Named Executive Officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers. Our executive compensation program is designed to attract, motivate and retain our executive officers, who are critical to our success. Our Named Executive Officers are rewarded for the achievement of our financial and strategic goals and for driving corporate financial performance through the award of base salaries, the opportunity to earn annual cash bonuses and the award of stock options, as deemed appropriate by our Compensation Committee. Accordingly, the following resolution is submitted for stockholder vote at the Annual Meeting:

“RESOLVED, that the stockholders of InfoSonics Corporation hereby APPROVE, on a nonbinding advisory basis, the compensation paid to its Named Executive Officers, as disclosed in the proxy statement for the 2016 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission.”

Because this say-on-pay vote is advisory, it will not be binding on us, the Board or the Compensation Committee. Nevertheless, the views expressed by our stockholders, whether through this vote or otherwise, are important to us and, accordingly, the Board of Directors and the Compensation Committee may consider the results of this vote in making determinations in the future regarding executive compensation arrangements.

**The Board of Directors recommends
a vote “FOR” the approval of the compensation of our
Named Executive Officers as disclosed in this proxy statement**

DIRECTOR INDEPENDENCE

Nasdaq Stock Market Rules require that a majority of our Board of Directors be composed of "independent" directors as defined by such rules. The standards relied upon by our Board of Directors in determining whether a director is "independent" consist of the independence standards of the Nasdaq Stock Market Rules.

In accordance with the Nasdaq Stock Market Rules, for a director to be considered "independent," the Board of Directors must affirmatively determine that he or she is not an executive officer or employee of the Company or an individual that has a relationship which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Additionally, the following persons are not considered "independent":

(a) a director who is or at any time during the past three years was employed by InfoSonics or its subsidiaries;

(b) a director who accepted or has a family member who accepted any compensation from InfoSonics in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, other than the following:

(i) compensation for board or board committee service;

(ii) compensation paid to a family member who is an employee (other than an executive officer) of InfoSonics; or

(iii) benefits under a tax-qualified retirement plan or non-discretionary compensation;

(c) a director who is a family member of an individual who is or at any time during the past three years was employed by InfoSonics as an executive officer;

(d) a director who is, or has a family member who is a partner in or a controlling stockholder or an executive officer of, any organization to which InfoSonics has made, or from which InfoSonics received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more, other than the following:

(i) payments arising solely from investments in InfoSonics' securities; or

(ii) payments under non-discretionary, charitable contribution matching programs;

(e) a director of InfoSonics who is, or has a family member who is employed as an executive officer of another entity where at any time during the past three years any of the executive officers of InfoSonics serve on the compensation committee of such other entity; or

(f) a director who is or has a family member who is a current partner of InfoSonics' outside auditor or was a partner or employee of InfoSonics' outside auditor who worked on InfoSonics' audit at any time during any of the past three years.

At its March 9, 2016 meeting, the Board undertook its annual review of director independence based on the foregoing standards. During this review, the Board considered, among other things, transactions and relationships between each director or any member of his or her immediate family and InfoSonics and its subsidiaries and affiliates or any entity of which a director or an immediate family member is or was, as applicable, an executive officer, general partner or significant equity holder. As provided in the Director Qualification Standards of the Nominating and Corporate Governance Committee Charter, the purpose of this review was to determine whether any such relationships or transactions existed that were inconsistent with a determination that the director is independent.

As a result of this review, the Board affirmatively determined that the following directors nominated for election at the Annual Meeting were independent of InfoSonics within the meaning of the Nasdaq Stock Market Rules and the applicable rules promulgated by the SEC:

Randall P. Marx
 Robert S. Picow
 Kirk A. Waldron

BOARD COMMITTEES AND MEETINGS

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The Board of Directors annually reviews the Nasdaq Stock Market Rules' definitions of independence for members of each of the committees and has determined that members of each of the committees are independent pursuant to applicable rules of the Nasdaq Stock Market Rules and the SEC.

Copies of our committee charters may be viewed at the Company's website at <http://www.infosonics.com/index.php/investors/corporate-governance>.

Directors serving on our committees are set forth below:

Audit Committee

Our Audit Committee performs, among other things, the following functions:

- determines the independent registered public accounting firm to be employed;
- discusses the scope of the independent registered public accounting firm's examination;

- reviews the financial statements and the independent registered public accounting firm’s report;
- solicits recommendations from the independent registered public accounting firm regarding internal controls and other matters;
- reviews related-party transactions for conflicts of interest;
- makes recommendations to the Board regarding audit-related, accounting and certain other matters; and
- performs other related tasks as requested by the Board.

Messrs. Waldron, Marx and Picow are the members of the Audit Committee. Mr. Waldron is the Chairman of the Audit Committee. Our Board of Directors has determined that Messrs. Marx and Waldron, each an independent director, are Audit Committee financial experts.

Compensation Committee

Our Compensation Committee performs, among other things, the following functions:

- develops executive compensation philosophies and establishes and annually reviews and approves policies regarding executive compensation programs and practices;
- reviews and approves corporate goals and objectives relevant to the Chief Executive Officer’s compensation, evaluates the Chief Executive Officer’s performance in light of those goals and objectives and sets the Chief Executive Officer’s compensation based on this evaluation;
- reviews the Chief Executive Officer’s recommendations with respect to, and approves annual compensation for, InfoSonics’ other executive officers;

- oversees and annually reviews the non-employee director compensation program; and
- reviews and approves special executive employment, compensation and retirement arrangements.

The members of our Compensation Committee are Messrs. Waldron, Marx and Picow. Mr. Marx is the Chairman of the Compensation Committee.

The Compensation Committee may invite to its meetings any member of management, including the Chief Executive Officer, and such other persons as it deems appropriate to carry out its duties and responsibilities. Our management assists the Compensation Committee by providing various support, including:

- providing the Compensation Committee perspectives of the business and people needs of the Company;
- having the Chief Executive Officer make compensation recommendations to the Compensation Committee for the other executive officers (although the Compensation Committee ultimately determines compensation for the Chief Executive Officer and the other executive officers); and
- developing recommendations for the design of pay programs applicable to the executive officers.

In addition, the Compensation Committee may from time to time engage an outside compensation consultant to:

- assist the Compensation Committee in reviewing recommendations prepared by management in light of the Company's objectives and market practices; and
- provide the Compensation Committee an outside perspective regarding compensation.

In June 2015, the Compensation Committee engaged Compensation & Benefit Solutions to review compensation levels for our Named Executive Officers, including a bench marking analysis against the following 13 peer companies:

ADDvantage Technologies Group, Inc.	Ikanos Communications, Inc.
Blonder Tongue Laboratories Inc.	Iteris Inc.
Clearfield, Inc.	RELM Wireless Corp.
ClearOne Incorporated	Westell Technologies, Inc.
Envivio Inc.	Wireless Telecom Group Inc.
Franklin Wireless Corp.	Zhone Technologies, Inc.
ID Systems Inc.	

Based on the report of the consultant, the Compensation Committee accepted the consultant's findings that the compensation of our Named Executive Officers is appropriate. In the future, the Compensation Committee may consider alternative performance recommendations for future cash bonus programs and other long-term incentive programs.

Compensation & Benefit Solutions did not provide any other services to InfoSonics during 2015 and only received fees from InfoSonics on behalf of the Compensation Committee. The Compensation Committee reviewed the independence of the consultant based on the criteria established by the SEC and determined there were no conflicts of interest.

Nominating and Corporate Governance Committee

We also have a Nominating and Corporate Governance Committee, which, pursuant to its written charter, is responsible for recommending potential directors, for considering nominations for potential directors submitted by our stockholders and for certain matters related to corporate governance. Messrs. Marx, Picow and Waldron serve on this committee.

There have been no material changes to the procedures (as described below) by which security holders may recommend nominees to our Board of Directors in the last fiscal year.

Director Candidates

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications and have a high standard of personal and professional ethics, integrity and values. Candidates for director nominees are reviewed in the context of the current composition of our Board of Directors, our operating requirements and the long-term interests of our stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee considers independence, professional background and experience, other board experience, industry knowledge, skills and expertise, and such other factors as it deems appropriate given the current needs of the Board and InfoSonics, to maintain a balance of knowledge, experience and capabilities. Other factors considered may include diversity (including age, geography, professional and other experience), although the Company does not have a formal policy regarding diversity.

In the case of incumbent directors, the Nominating and Corporate Governance Committee reviews such directors' overall service to us during their term, including the number of meetings attended, level of participation, quality of performance, and any other relevant considerations. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee must be independent for Nasdaq purposes, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations, and the advice of counsel, if necessary.

The Nominating and Corporate Governance Committee uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of our Board of Directors. The Nominating and Corporate Governance Committee meets to discuss and consider such candidates' qualifications and then selects nominees for recommendation to the Board by majority vote.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder or not. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board at an annual meeting of stockholders must do so by delivering, at least 120 days prior to the anniversary date of the mailing of the proxy statement for our last annual meeting of stockholders, a written recommendation to the Nominating and Corporate Governance Committee at the following address: c/o Corporate Secretary, 3636 Nobel Drive, Suite 325, San Diego, California 92122. Each submission must set forth, among other things: the name and address of the stockholder on whose behalf the submission is made; the number of our shares that are owned beneficially by such stockholder as of the date of the submission; the full name of the proposed candidate; a description of the proposed candidate's business experience for at least the previous five years; complete biographical information for the proposed candidate; and a description of the proposed candidate's qualifications as a director. For additional information, see our Director Selection Guidelines attached to the Nominating and Corporate Governance Committee's Charter, which can be found on our website at <http://infosonics.com/index.php/investors/corporate-governance/nominating-and-corporate-governance-committee-charter/>.

Meetings of the Board of Directors and Committee Member Attendance

During fiscal year 2015, our Board of Directors met seven times, our Audit Committee met four times, our Compensation Committee met seven times, and our Nominating and Corporate Governance Committee met once. All directors attended at least 75% of the meetings of the Board and of the committees on which they served in fiscal year 2015 that were held while they were a director or committee member. InfoSonics does not have a specific policy requiring director attendance at the Annual Meeting of Stockholders; however, we encourage our directors to be present at the Annual Meeting and available to answer any stockholder questions. No directors attended our 2015 Annual Meeting.

ADDITIONAL CORPORATE GOVERNANCE INFORMATION

Stockholder Communications

Stockholders wishing to send communications to the Board may contact Vernon A. LoForti, our Vice President, Chief Financial Officer and Corporate Secretary, at InfoSonics' principal executive offices address. All such communications will be shared with the members of the Board, or if applicable, a specified committee or director.

Conflicts of Interest Policies

Nasdaq Stock Market Rules require that our Audit Committee (or other independent body of our Board of Directors) review and oversee all related-party transactions for potential conflicts of interest on an ongoing basis.

Our Board of Directors and our officers also are subject to certain provisions of Maryland law that are designed to eliminate or minimize the effects of certain potential conflicts of interest. Pursuant to these provisions of Maryland law and our articles of incorporation, any transaction between us and an interested party will not be invalidated because it is an interested-party transaction if it is fully disclosed to our Board, and a majority of the directors not otherwise interested in the transaction (including a majority of independent directors) make a determination that the transaction is fair, competitive and commercially reasonable and on terms and conditions not less favorable to us than those available from unaffiliated third parties.

All future transactions between us and any of our officers, directors or 5% stockholders are expected to be on terms no less favorable than could be obtained from independent third parties and to be approved by a majority of our independent, disinterested directors. We believe that by following these procedures, we will be able to mitigate the possible effects of any conflicts of interest.

Code of Business Conduct and Ethics and Reporting of Accounting Concerns

We have adopted a Code of Business Conduct and Ethics (the “Code of Conduct”). We require all employees to adhere to the Code of Conduct in addressing legal and ethical issues encountered in conducting their work. The Code of Conduct requires that our employees avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner and otherwise act with integrity and in our best interest.

We have also adopted a Code of Ethics (the “Code of Ethics”) for our Chief Executive Officer, our Chief Financial Officer and our Controller. The Code of Ethics supplements our Code of Conduct and is intended to promote honest and ethical conduct, full and accurate reporting, and compliance with laws as well as other matters.

The Code of Conduct and Code of Ethics can be found on our website at <http://www.infosonics.com/index.php/investors/corporate-governance>.

We have established “whistle-blower procedures” that provide a process for the confidential and anonymous submission, receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters. These procedures provide protections to employees who report company misconduct.

2015 AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors oversees InfoSonics' financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee, as it was constituted at the time of each respective report, reviewed and discussed with management the audited financial statements in InfoSonics' Annual Report on Form 10-K for the year ended December 31, 2015, and the unaudited financial statements included in InfoSonics' Quarterly Reports on Form 10-Q for the first three quarters of the fiscal year ended December 31, 2015.

The Audit Committee discussed with InfoSonics' independent registered public accounting firm, who is responsible for expressing an opinion on the conformity of audited financial statements with generally accepted accounting principles, the auditor's judgments as to the quality, not just the acceptability, of InfoSonics' accounting principles and such other matters as are required to be discussed by the auditor with the Audit Committee under Statement on Auditing Standard No. 16, Communications with Audit Committees, and Rule 2-07 of Regulation S-X, Communications with Audit Committees. In addition, the Audit Committee discussed with the independent registered public accounting firm the accounting firm's independence from management and InfoSonics, including the matters in the written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent accountant firm's communications with the audit committee concerning independence. The Audit Committee considered whether the independent registered public accounting firm's provision of services on behalf of InfoSonics other than audit services is compatible with maintaining the independent accountant firm's independence.

The Audit Committee discussed with InfoSonics' independent registered public accounting firm the overall scope and plans for its respective audits. The Audit Committee met with the independent registered public accounting firm, with and without management present, to discuss the results of the independent accountant firm's examinations, its evaluations of InfoSonics' internal controls, and the overall quality of InfoSonics' financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2015, for filing with the SEC.

BOARD LEADERSHIP STRUCTURE AND ROLE IN RISK OVERSIGHT

At the present time, in light of the small size of the Company and its Board of Directors, the Board believes that InfoSonics and its stockholders are best served by not having a Chairman of the Board or lead director. Mr. Ram, InfoSonics' President and Chief Executive Officer, is also a director of the Company. Mr. Ram oversees the management team, which is responsible for identifying, assessing and managing the material risks facing the Company. The other three members of the Board are independent directors, each of whom is a strong, seasoned business executive with expertise in areas critical to the Company, including wireless technology and distribution, China-based manufacturing and financial controls. Each director takes a leadership role in his area of expertise.

The Board of Directors has historically performed an important role in the review and oversight of risks, and generally oversees the Company's risk management practices and processes, including entity level and financial controls. In its risk oversight role, the Board has the responsibility to satisfy itself that the risk management processes designed and implemented by the Company's management are adequate and functioning as designed. The Board also oversees organizational structure, policies and procedures, such as the Code of Conduct and the Code of Ethics and other internal policies and guidelines designed to support the Company's corporate governance and to comply with the laws, rules and regulations that apply to the Company's business operations.

Although the Board of Directors is ultimately responsible for risk oversight at the Company, it has delegated primary oversight of the management of (i) financial reporting, internal controls, accounting and compliance risks to the Audit Committee, (ii) compensation risk to the Compensation Committee, and (iii) corporate governance risk to the Nominating and Corporate Governance Committee. Each of these committees routinely reports to the Board on the management of these specific risk areas.

To permit the Board of Directors and its committees to perform their respective risk oversight roles, members of management report directly to the Board or the relevant committee of the Board responsible for overseeing the management of specific risks, as applicable. The President and Chief Executive Officer reports directly to the Board. The Chief Financial Officer reports to the President and Chief Executive Officer, the Board and the Audit Committee. Members of the management team have a high degree of access and communication with the independent directors of the Board and the various Board committees. Members of the Company's management regularly attend Board and committee meetings and are available to address any questions or concerns raised on matters related to risk management. Because three of the four Board members are independent directors and each committee of the Board consists solely of independent directors, InfoSonics' risk oversight structure conforms to the Company's belief that having a strong, independent group of directors is important for quality governance.

Employment Agreements

Joseph Ram. On April 21, 2016, the Compensation Committee of the Company authorized and approved the extension of the term of the employment agreement between the Company and Mr. Ram which was set to expire on April 8, 2016. The terms of the new agreement are substantially similar to the prior employment agreement. The annual base salary of \$365,000 set forth in the employment agreement is subject to periodic review by the Board of Directors or the Compensation Committee. The agreement also provides that Mr. Ram is eligible to receive an annual performance-based bonus in the discretion of the Compensation Committee. For 2014, Mr. Ram received a discretionary bonus of \$19,500. No such bonus was paid for 2015. Mr. Ram's employment agreement has a term of four years, commencing on April 9, 2016 and expiring on April 8, 2020.

Mr. Ram's employment agreement provides for the payment of severance under certain conditions. If InfoSonics terminates his employment other than for "cause" or if Mr. Ram terminates his employment for "reasonable basis," Mr. Ram is entitled to a severance payment equal to the greater of (i) 18 months of salary and (ii) the salary payable over 50% of the remaining term of the employment agreement, subject to Mr. Ram's execution within 45 days of the termination date of a general release and waiver of claims against InfoSonics. If Mr. Ram voluntarily terminates his employment other than for "reasonable basis," he is not entitled to receive a severance payment. Under the terms of the agreement, Mr. Ram is also subject to confidentiality and non-competition restrictions in favor of InfoSonics.

Under the employment agreement, the term "reasonable basis" generally means a material breach of the employment agreement by the Company that is not timely cured by the Company, a termination without "cause" during the term of the agreement, a reduction in Mr. Ram's salary except to the extent that a majority of the other executive officers of the Company incur similar reductions, or a termination of employment within 12 months after a "change of control."

The term "change of control" generally means any consolidation or merger in which the Company is not the continuing or surviving corporation, except where the holders of Company common stock immediately prior to the merger own a majority of the voting common stock of the surviving corporation immediately after the

merger; a sale, lease, exchange or other transfer of all or substantially all the Company's assets; stockholder approval of a liquidation or dissolution of the Company; the acquisition by any person or entity of a majority of the stock entitled to elect a majority of the directors of the Company; or a bankruptcy proceeding.

The term "cause" generally means engaging in or committing willful misconduct, gross negligence, theft, fraud or other illegal conduct; refusal or unwillingness to perform, or materially inadequate performance of the executive's duties; breach of any applicable non-competition, confidentiality or other proprietary information or inventions agreement; inappropriate conflict of interest; insubordination; failure to follow the directions of the Board or any committee thereof; or indictment or conviction of any felony, or any entry of a plea of nolo contendere.

Vernon A. LoForti. On April 21 2016, the Compensation Committee of the Company authorized and approved the extension of the term of the employment agreement between the Company and Mr. LoForti which was set to expire on April 8, 2016. The terms of the agreement are substantially similar to the prior employment agreement. The annual base salary of \$205,000 set in the employment agreement is subject to periodic review by the Board of Directors or the Compensation Committee. The agreement also provides that Mr. LoForti is eligible to receive an annual performance-based bonus of up to 35% of his base salary in the discretion of the Compensation Committee. For 2014, Mr. LoForti received a discretionary bonus of \$10,500. No such bonus was paid for 2015. Mr. LoForti's employment agreement has a term of two years, commencing on April 9, 2016 and expiring on April 8, 2018.

Mr. LoForti's employment agreement provides for the payment of severance under certain conditions. If InfoSonics terminates his employment other than for "cause" or if Mr. LoForti terminates his employment for "reasonable basis," he will be entitled to receive severance payments equal to his base salary for 9 months, conditioned upon the execution by Mr. LoForti within 45 days of the termination date of a general release and waiver of claims against the Company. If Mr. LoForti voluntarily terminates his employment other than for "reasonable basis," he is not entitled to receive a severance payment. Under the terms of the agreement, Mr. LoForti is subject to confidentiality restrictions in favor of InfoSonics.

Under the employment agreement, the terms "reasonable basis", "change of control" and "cause" generally have the same meanings as under the employment agreement with Mr. Ram described above (except that "reasonable basis" does not include a termination of employment within 12 months of a change of control under Mr. LoForti's employment agreement).

Option Grants to Named Executive Officers

InfoSonics' Named Executive Officers have been granted stock options under the InfoSonics Corporation 2006 and 2015 Equity Incentive Plans with the terms noted below:

- Stock options under each of the 2006 and 2015 Equity Incentive Plan are granted with an exercise price that is no less than the fair market value of the common stock on the date of grant, defined as the closing price of common stock on the date of grant or if not traded on such date, the closing price on the last preceding date on which the common stock was traded.
- Stock options typically vest over two to four years from the date of grant. Footnotes to the Outstanding Equity Awards at 2015 Fiscal Year-End table describe the vesting schedules applicable to outstanding option grants to the Named Executive Officers.
- The effect of a "change in control" on options granted under the 2006 Equity Incentive Plan is described below under "Change in Control Provisions Under 2006 Equity Incentive Plan."
- The effect of a "change in control" on options granted under the 2015 Equity Incentive Plan is described below under "Change in Control Provisions Under 2015 Equity Incentive Plan."

Change in Control Provisions Under 2006 Equity Incentive Plan

Under the 2006 Equity Incentive Plan, unless the Compensation Committee determines otherwise at the time of grant with respect to a particular award, or unless otherwise provided in a written employment, services or other agreement with a participant, if a “change in control” or “reorganization event” occurs, outstanding awards will become fully and immediately exercisable, and all applicable deferral and restriction limitations or forfeiture provisions applicable to the awards will lapse, immediately before the change in control or reorganization event. In addition, the Compensation Committee may determine that outstanding awards will be surrendered or terminated in exchange for a cash payment or make any other adjustments it deems appropriate in a change in control or reorganization event, and also may determine that outstanding awards will be cancelled in a reorganization event.

Under the 2006 Equity Incentive Plan “change in control” generally has the same meaning as under the employment agreement with Mr. Ram described above. A “reorganization event” means the merger or consolidation of the Company with another corporation, a person becoming the beneficial owner of all the outstanding equity securities of the Company, the sale of all or substantially all the assets of the Company, or the dissolution, liquidation or reorganization of the Company.

Change in Control Provisions Under 2015 Equity Incentive Plan

Under the 2015 Equity Incentive Plan, unless otherwise provided in the instrument evidencing an award or in a written employment, services or other agreement or policy between a participant and us, in the event of a change in control:

- If awards (other than performance shares, performance units, and other performance-based awards) will be assumed or otherwise continued after a change in control pursuant to the terms of the 2015 Plan, the awards will not become fully vested and exercisable, and all applicable vesting and forfeiture provisions will continue following the change in control. However, such awards will become fully vested and exercisable, and all applicable restriction limitations or forfeiture provisions will lapse, in the event of a transaction in which such awards are not assumed or continued after the change in control, and the awards will thereafter terminate at the effective time of the change in control.
- All performance shares, performance units and other awards subject to vesting or payout based on the achievement of performance goals will be prorated at the target payout level as of the date of the change in control.
- In the event of certain reorganizations, mergers or consolidations, the Board or the Compensation Committee may, in its discretion, provide that a participant’s outstanding awards will be cashed out.

Under the 2015 Equity Incentive Plan “change in control” generally means the occurrence of any of the following events:

- an acquisition by any individual, entity or group of beneficial ownership of 50% or more of either (a) the then outstanding shares of common stock or (b) the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (with certain exclusions, including generally any acquisition directly from the Company, any acquisition by the Company, or any acquisition by any employee benefit plan of the Company or an affiliate);
- a change in the composition of the Board such that, during any two-year period, the incumbent Board members cease to constitute at least a majority of the Board (not including directors whose election, or nomination for election by stockholders, was approved by a majority of the incumbent Board); or
- consummation of a merger or consolidation of the Company or a sale or other disposition of all or substantially all of the assets of the Company, unless (a) after such transaction the beneficial owners of our common stock and voting securities immediately prior to the transaction retain at least 50% of such common stock and voting securities of the Company resulting from such transaction in substantially the same proportions as their ownership prior to the transaction, (b) no person or entity beneficially owns 30% or more of the then outstanding common stock or voting securities of the Company resulting from such transaction (unless such ownership resulted from ownership of securities prior to the transaction), and (c) at least a majority of the directors following such transaction were incumbent directors.
